

Greetings, Sandbox Adventurer!

We're thrilled to guide you through our latest playground of Real-Time Broker Connectivity services, designed to empower your journey with simplicity and speed.

### **IntelliQuote, Acturis and Applied Quote Integration**

Construct Hab Policies in no time with our Integration service. From the comfort of your comparative rate generator, you will be able to access your Habitational New Business Quotes and watch as they're crafted into fully formed policies by Sandbox's own architects. This service covers all corners of our sandbox—from Homeowners to Seasonal Retreats, including all the special floaters.

### **Getting Started**

- **Rival** users, you already have your key; the credentials will be the same as you use for your WebConnect (policy inquiry). [View the how-to video here!](#) Or [download your Rival Integration guide here!](#)
- **Acturis** users can access using your broker connectivity credentials. [View the how-to video here!](#) Or [download your Acturis Integration guide here!](#)
- **Applied** users, here's a refresher for how to access you quotes from ARS. [View the how-to video here!](#) Or [download your Applied Integration guide here!](#)

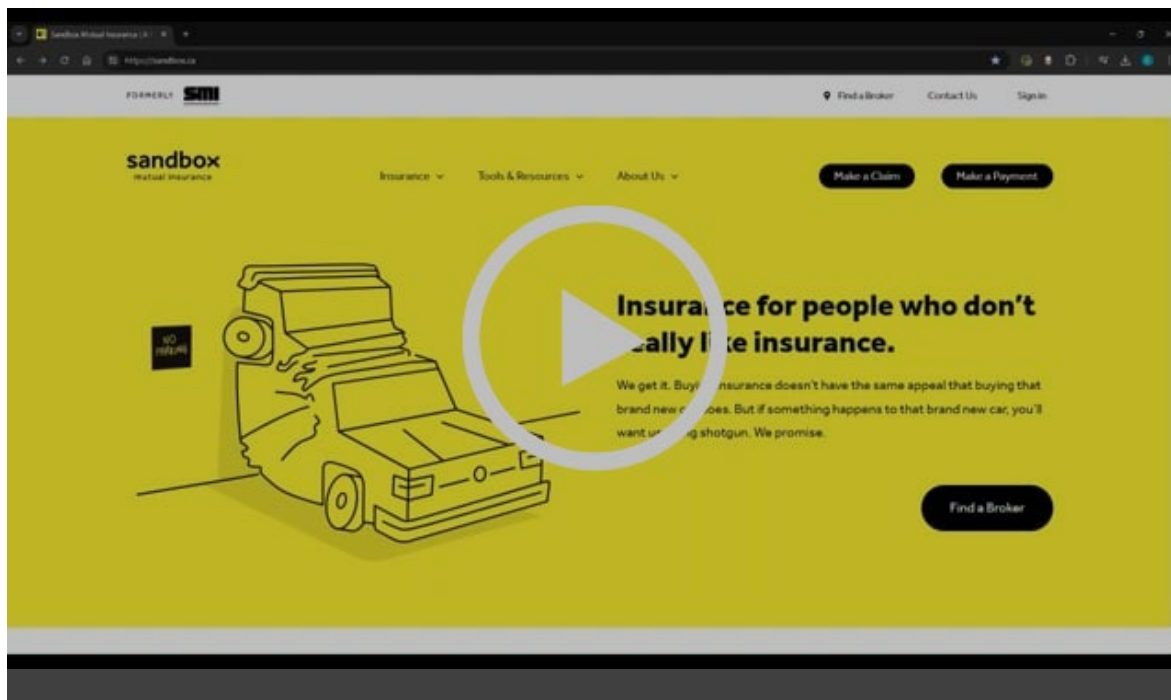

### **Forgot your Keys?**

Don't know your credentials? Let us know and we'll help get you connected!

## Let's Get Building

Once you're set up, [this video](#) below will walk you through everything you need to know about quote integration.

Don't forget, even in a world as advanced as ours, you'll still need to send a message in a bottle (or, in modern terms, an email) to Sandbox with your signed application and any accompanying documents.

## Questions? We're Here for You!

Got a query? Wondering how to make the most of these services? Our team is on standby, ready to assist. Don't hesitate to reach out to us at [marketing@sandbox.ca](mailto:marketing@sandbox.ca).
